This may seem like an overwhelming list of things to check off before your wedding day but if you stick to the timeline your day should go off without a hitch!

As for the couples who have a shorter engagement time, pulling off your dream wedding is still possible and can be done in a stress-free matter as well! If you have 6 months to plan before your wedding then condense this list and try to get everything done at the 12 month mark done your first month and you should pretty much be on schedule for everything else.

Happy planning!!
